ACHIEVEMENTS AND PERFORMANCE

Review of the financial period

Review of Activities 2025-26

Events and Meetings

Our big event this year (2025–2026) was our bi-annual conference at Holme on Spalding Moor Village Hall on 13 March. It was lovely to see so many people there — we had over 80 delegates attend, plus several stalls from a range of organisations. We also put together a short video of the day, which you can view by visiting www.ervhn.org.uk

Our networking meetings (including our online sessions) continue to be really popular. We try hard to make sure the topics reflect what you tell us you want, using feedback from our annual survey. This year, sessions covered (among other things) grant applications, food safety and governance.

Events and Meetings – con't

After a slow start, we're really pleased to see growing interest in our Business/Forward Planning support for trustees of community buildings. This is a two-hour session where we gently guide a discussion with trustees about putting together a forward plan, agreeing priorities, and working out who will do what (and by when). It's dedicated time to step back, think about the bigger picture, and leave with clear, achievable next steps.

Future Communities

This has been our third year of the Future Communities grant from FCI and RWE, and it's been great to see the difference it's making.

'Halls for all' — our micro grant — has been a real success, with 48 halls receiving £100 towards an event at their community hall. In March 2026 a further 37 halls also received a £100 micro grant "to celebrate Village Halls Week".

In April 2026, the Future Communities grant comes to the end of its three-year term. We're really pleased to share the good news that we have secured further funding from FCI/RWE for another two years which will enable us to continue the funding for 'Halls for all' and our bi-annual conference in 2028.

How we've been able to help

Our committee continues to support other trustees with all sorts of issues — from business planning to finding and keeping volunteers. We're getting lots of requests for support, and we don't expect that to slow down any time soon.

Hallmark accreditation continues to go from strength to strength. Thank you, as always, to John Newlove for leading and championing our accreditation programme.

Our new website continues to be developed and sees continued growth in views.

Membership updates

Our membership year starts on 1st June, and we've shared details with all current members and non-members. We'd love to grow our network further from the 104 member halls we currently have.

Working with others

We continue to make sure ERVHN is represented on the Rural Strategy and Safeguarding forums, and we're looking forward to continuing our partnership with Humber and Wolds Rural Action in the year ahead.

We are also involved with ERDIN and working to encourage halls to become IT hubs for their communities.

TRUSTEES' ANNUAL REPORT (continued)

For the period ended 31 March 2026

A big thank you to our committee and volunteers

A huge, heartfelt thank you to everyone on our management committee who volunteers their time. Your ongoing commitment and hard work make such a difference to ERVHN.

And finally — thank you to our members

On behalf of everyone at ERVHN, thank you to all our members for your continued support and feedback over the last 12 months. We really do value your thoughts and ideas — they help shape what we do.

We're looking forward to a successful 2026, and we hope to see you at an event or meeting soon.
